Blast Off! Enchanted Forest Event Sales Soar Sky High

Perthshire Big Tree Country, organisers of The Enchanted Forest, have announced a second and final release of additional tickets for shows taking place between Monday 27th October and Thursday 30th October with tickets sales reaching an all time high earlier today of over 17,500.

The final release of tickets will ensure customers who are making last minute decisions to attend the event will not be disappointed.

Just last weekend, organisers released tickets for the first week which were snapped up by members of the public instantly.

Hamish Murray, chair of the steering group for the Enchanted Forest 2008 commented, "We are absolutely delighted with this year's tickets sales. Based on current projections, the event is very likely to hit 20,000 ticket sales for the first time in its seven year history."
