

## **Additional tickets for forest event**

AN UNPRECEDENTED second release of additional tickets has been announced for this year's Enchanted Forest event as organisers hope to reach the 20,000 visitor mark for the first time.

With sales reaching an all-time high, organisers,

Perthshire Big Tree Country, announced yesterday they are keen to meet the constant demand for the Faskally show.

They say 17,500 briefs have already been sold and, with the extra stock released for next week's shows, a record-breaking season has been secured.

Tickets can be bought at the Enchanted Forest website, [www.enchanted-forest.org.uk](http://www.enchanted-forest.org.uk). The show runs until November 2.
