A OF THE WILD
 Show entrance.

B FLUID
 Flashing points of light visualise the flow of energy real and imagined by the water and surrounding landscape. Inspired by references to energy and flow patterns from Aboriginal dream time paintings to Japanese wave and ripple designs.
Created by: Squidsoup

C ON THE LOCH
 Inspired by rhythms and cycles of nature exploring microcosms and macrocosms from the tiniest of creatures to the greatest of approaching weather fronts alongside the magical conjurings of our imaginations.
Created by Kate Bonney, Simon Hayes, RJ McConnell, Jon Beales and NOVAK Collective.
 This show will cycle approximately every 7 mins.

D FOREST CALLING
 Are you on nature's wavelength? Tune in to the secret sounds of the forest.

PLEASE FOLLOW THE GREEN ARROW ROUTE, THEN THE ORANGE ARROW ROUTE WHEN YOU'VE CROSSED THE BRIDGE FOR THE SECOND TIME.

E ILLUMAPHONIUM
 Illumaphonium is a dynamic and interactive multisensory, music making installation - the first of its kind!
Created by Michael Davis.

F FLASH!
Shhhhhhhh.....
 What can you see, what can you hear? If you look very carefully you might see some shadowy shapes shimmering in the trees.

G IN THE WOODS
 Go out with a bang with this enchanting celebration of all that resides within the forest. Here we may catch a glimpse of the unknown and unknowable celtic creatures that may live in the woods.
Lighting Design by Kate Bonney, Simon Hayes, Music by RJ McConnell, Jon Beales. This show will cycle approximately every 7 mins.
