

Guide to parking in Pitlochry

If you are coming to Pitlochry by car, please be aware that the event is very popular and leave extra time to find parking in the town.

If you are staying in Pitlochry, you are strongly encouraged to leave your vehicle at your accommodation and walk into town to departures.

Public Car Parks

There are several public car parks which are signposted as normal and marked on the map above. There are pay and display parking fees in force before 6pm. Please check before you leave your car.

Private Car Parks

Where additional private car parking facilities are available, these too are marked on the map above. The Armoury Road Car Park charges £2 for an unlimited stay between 9am and 11pm. SSE visitor centre car park is open to the public and is free to park. Blair Athol Distillery Car Park is also free to visitors. All these car parks are about a 7-10 minute walk away from the main bus departure point.

On Street Parking

Parking on the street is free, but limited to a 30 minutes stay, no return within 30 minutes. Parking restrictions are clearly displayed on street signage and may vary from street to street. Please park considerately, not on yellow lines and check parking restrictions prior to leaving your car.

Wheelchair Parking Passes

Due to limited space, disabled parking on site is reserved for wheelchair users only. If you would like to request a **Wheelchair Parking Pass** please book your tickets online and then contact SEE Tickets Customer Services **here** with your booking reference number to request a pass.

Please be aware that passes are allocated on a first come, first serve basis, and are subject to availability.
