A – LIVING NETWORKS – Interconnect with nature, technology and your fellow visitors as you navigate this a-MAZE-ing start to your journey.

B – NEXUS – Look up in wonder at the heart of Luminara, a gravity defying network of light and connectivity.

C – NEON CURRENTS – Step into the depth of the forest, swept along by an unseen force that pulses through land and water.

D – PULSE - Every footstep, every noise, this is the moment where the whole forest comes to life in a seamless fusion of technology and art.

E – SYNAPSE GROVE - Illuminate the unseen worlds of mycelial networks and bioluminescence, blurring the boundaries between organic and synthetic.

F – ENERGISE – Our spectacular and captivating loch show harmonises the natural technological evolution and our part in keeping nature in our hearts.

G – NECTAROPOLIS - Creation, collaboration and a hive of pollination, this is the biological force that powers the electronic heartbeat.

H – BLOOM CIRCUIT - Wonder at a mesmerising fusion of organic beauty and digital intelligence as you make your way through the interactive meadow of flowers.

I – HATCH PATCH – Light is not just seen, but shared. Help our forest glow brighter, together.

J – LIVING TAPESTRY - Transforming the landscape into a canvas of light, awaken ancient stones and specimen trees where technology amplifies nature's work.

K – LUMINARA FALLS - Cascading streams of luminous pixels shimmer like water and invite you below the surface to where the digital and wilderness begin to harmonise.

L – REIGNITE - Stronger. Brighter. Alive. Flickering beneath the surface, then surging with renewed energy, celebrate euphoric renewal and ignite your imagination.
